IOM • OIM	**HEALTH ASSESSMENT INFORMATION SHEET FOR CANADA**	**Revised**
	FORM – 02 / MHAC -ADDIS ABABA	**Nov 2022**

IOM/Migration Health Assessment Center (MHAC) in Addis Ababa uses the specific-time-slot system where applicants may call in or email us to schedule an appointment on their preferred date and specific time for their health assessment. Please e-mail to **SLOAddisAbabaMHUReception@iom.int and** iometmedicalappointment@iom.int copying SLOADDISABABAMHU@iom.int Simultaneously, IOM MHAC has resumed the **WALK-IN** system meaning clients are allowed to come in without appointment. The walk-in service begins at 8 00 AM and ends at 12:30 PM each day except on weekends and official and public holidays.

Requirements:

- Original valid Passport and birth certificate with one copy of the bio data page for each applicant and each family member.
- Embassy information sheet or letter for each applicant.
- Previous immunization card, medical records for previous or existing medical condition, x-rays, spectacles and contact lenses if you use any.

Health Assessment Process

- The entire medical examination process will take **one day** to complete.
- The medical Examination process begins at appointment time shared with you at the time of booking or the time you are accepted on the MHAC premises as a walk-in
- Kindly note that you may spend the whole day in the process.
- Please keep time. Clients who came in late will be re-scheduled for the next available slot/ day.
- Ensure you have a face mask on before entry, maintain at least a distance of 1 meter, adhere to strict hand hygiene and cough etiquette instructions while at the IOM/MHAC compound.
- Please follow the advice given by our reception/ front office colleagues and counsellors.
- An Escort is not allowed on the premises unless the applicant is a minor, needs mobility assistance or has other health conditions that require an escort. In this case, **only one** escort is allowed.
- MHAC Addis Ababa offers translation services free of charge for most of the languages spoken in the East African region, thus please do not bring an interpreter as they will not be allowed in the compound.
- A full physical examination will be undertaken requiring the applicant to undress but keep his/ her undergarments.
- Please note that you do not need to fast for this health assessment.
- The Health Assessment includes chest x-ray, laboratory tests and physical examination by the IOM Canada Panel Physician.
- Should the IOM Canada Panel Physician request for further tests, you may have to pay an additional fee. In this case, completion of your medical form might take a few more days.
- Your completed medical file will be submitted electronically within a maximum of 2 days after completing your medical examination.
